

RZR™ MOLLE

WARRIOR PLATE CARRIER OWNER'S MANUAL

Made in the U.S.A.

by Proud Americans

BERRY COMPLIANT

INTRODUCTION

The **TAC SHIELD® RZR™** Warrior Plate Carrier is our GEN III Molle design focusing on its lightweight, slim-line profile and system modularity. **RZR™** Warrior Plate Carriers are designed for maximum human mobility and comfort. At less than 2.4 pounds, it offers a variety of configuration options to enhance your gear layout, protection, and wearing comfort. **TAC SHIELD® RZR™** products are Berry Compliant.

COMPONENTS DESCRIPTIONS

FRONT CARRIER

Supports level IV SAPI plates, three AR15 magazines wide across the front.

Feature walk through starting at the neckline and working downward:

- a zippered admin pouch with hook patch panel
- each side hydration / antenna sewn in elastic straps
- vertical side release buckles for placard install
- removable **RZR™ MOLLE** bib with kangaroo pouch
- female snap buckles for waist straps
- body side is fully covered with air mesh padding and padded shoulder straps for comfort
- lower side, the flap closer for the armor pocket

WITH BIB

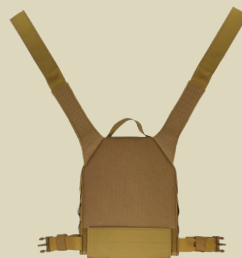

NO BIB

BODY SIDE

BACK

BODY SIDE

REAR CARRIER

Supports level IV SAPI plates.

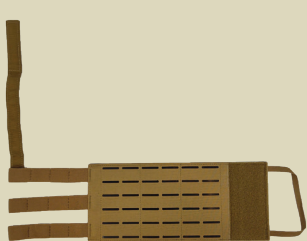

Feature walk through starting at the neckline and working downward:

- hook patch panel
- drag handle
- each side hydration / antenna sewn in elastic straps
- low profile waist straps
- body side is fully covered with air mesh padding and padded shoulder straps for comfort
- lower side, the flap closer for the armor pocket

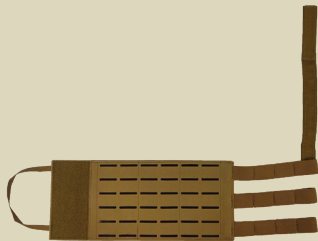

CUMMERBUND

RZR™ cummerbund is a slim profile that enhances performance by lowering weight without any compromise of function. The unique attachment system with elastic fingers allow a perfect fit with little adjustment for most under garment changes.

RIGHT

INSTRUCTIONS

SIZING

PROPER FIT

Top of SAPI plate needs to be placed below the supra-sternal notch by 1 inch.

SIZING

- Warrior Plate Carrier's size is related to the SAPI armor sizing. Small plate, small Warrior Plate Carrier
- height adjustment is made by the shoulder straps

WAIST

The Cumberbund is a one size fits most.

- course adjustment 1 ½ inch increments per side
- fine adjustments by the elastic fingers

CUMMERBUND

STEPS

PALS columns are 1.5" apart centerline to centerline, identify the appropriate column for girth sizing.

Insert cumberbund ends through side channels.

Route vertical finger UP through the correct column. Weave the vertical finger through the cumberbund ends and PALS slots on Plate Carrier.

Finish by tucking the end up through the PALS column.

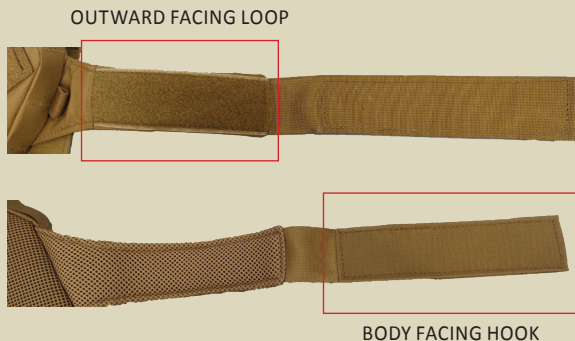

Complete.

Weave cumberbund ends into PALS slots on Plate Carrier.

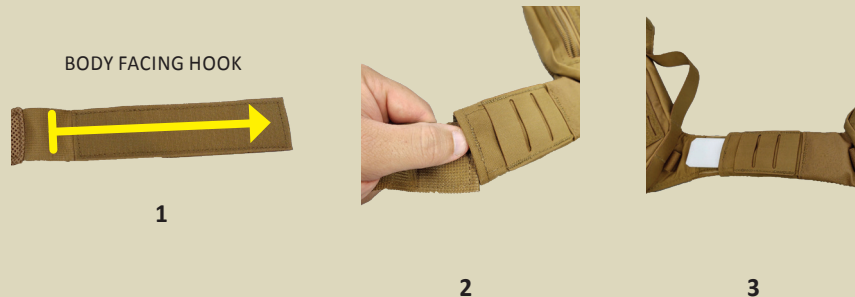

SHOULDER STRAPS

Shoulder straps hold strength comes from the reversal of the hook and loop.

SHOULDER STRAPS

Shoulder strap attached by hook and loop with the Front Carrier.

1. Secure the rear carrier shoulder strap.
2. Feed the rear carrier shoulder strap through the front carrier shoulder pocket.
3. Use the Hook & Loop Knife to keep parts separate.

SHOULDER STRAPS

INSIDE FRONT CARRIER

4

5

Shoulder strap attached by hook and loop with the Front Carrier.

4. Pull the shoulder strap through the front plate carrier.
5. Attach the shoulder strap to the Front Carrier.

WARRANTY

TAC SHIELD® products are proven in the battlefields around the globe by American Warfighters and are available from many leading Tactical Sport and Military Retailers across the country. All products are backed with a Lifetime Warranty by people you can trust!

BODY ARMOR

It is against Federal Law for a person convicted of a violent felony to purchase or possess body armor. In addition, various states also have laws restricting the purchase or possession of body armor by persons convicted of certain felonies, other crimes of violence, or drug crimes. By purchasing body armor, you acknowledge and certify that (i) you have no felony convictions, (ii) you have not been convicted of any other crime that would restrict your ability to purchase or possess body armor under any Federal or State law, (iii) you do not intend to use the body armor for any criminal purpose and (iv) you are over 18 years old. The sale of body armor to residents of Connecticut is restricted to in-person sales, unless the sale is made to certain law enforcement or military personnel.

POUCH INSTALLATION

When weaving MOLLE straps through PALS, remove body armor and objects in the pouches.

Body Armor sold separately.

RZR™ molle is 100% compatible with traditional Molle Systems while providing a slimmer and lighter low-profile solution. Using Lazer-Cut technology, **TAC SHIELD's** new **RZR™** pouches reduce weight by up to 50% versus traditional nylon webbing Molle straps and materials. **RZR™** laminate pouches do not absorb water and are antimicrobial. **RZR™** nylon laminated materials are very strong and offer greater wear-resistance than 500D or 1000D Cordura® fabric.

Our Lifetime Warranty provides peace of mind and covers manufacturing defects and other specific legal rights.
