

MADE BY PROUD AMERICANS

RZR[®] MOLLE

RZR[®] MOLLE is 35 to 50% lighter than traditional MOLLE Systems. The removal of snaps, straps and 1" PALS webbing combine to help the American Warfighter with overall weight reduction...Ounces add up to Pounds! RZR[®] MOLLE is 100% compatible with all MOLLE legacy systems from Plate Carriers, Warrior Belts to Stacking Pouches. RZR[®] 1000D/500D laminate material is Hydrophobic, meaning it does not gain weight when submerged or drenched. It is also Antimicrobial, meaning it will not mildew or rot and is easy to clean or decontaminate. RZR[®] laminate offers superior durability both inside and out over 500D or 1000D coated Cordura[®]. TAC SHIELD RZR[®] products are Berry Compliant.

RZR[®] PLATE CARRIER

The TAC SHIELD RZR[®] Warrior Plate Carrier is our GEN III MOLLE design with focus on its lightweight, slim-line profile and system modularity. RZR[®] Warrior Plate Carriers are designed for maximum human mobility and comfort. It offers a variety of configuration options to enhance your gear layout, protection and wearing comfort.

- Comfortable Air Mesh Padding
- Modular Design, Removable Panels
- Built-in Pouches: Admin, Kangaroo
- Slim-profile Cummerbund Adjustment
- Secure Routing Straps: Hydration, Antenna
- Slim Padded Shoulder Straps for Rucksack Wearing

LOW PROFILE PLATE CARRIER

The RZR[®] Low Profile Plate Carrier is our GEN III MOLLE design focused around weight reduction, modularity, and mobility. This lighter weight system provides maximum versatility for gear layout and expandability. The 1.5" adjustable Mil-Spec side straps keep plate carrier secure while allowing for maximum mobility. The heavy-duty, lightweight laminate construction provides peace of mind in the harshest of environments.

GEAR POUCHES

TAC SHIELD® Gear Pouches are designed to hold and protect gear for your mission. The tough 1,000D Cordura® offers superior abrasion resistance and weather protection. Blackened grommets serve as convenient drain holes. Double Zipper Cords with easy “grabber pulls” work well with tactical gloves. The #10 Heavy Duty Industrial Zipper extends over the corners and down the sides for dependable opening and access ease. Mil-Spec webbing offers additional hanging options for other gear. **All TACSHIELD® products feature a Lifetime Warranty.**

TACTICAL GUN BELT™

TAC SHIELD® Tactical Gun Belt™ is the latest in modern gun carry. Available in both 1.5" and 1.75" widths. The heavy-duty 2,000 lb. aluminum Cobra® buckles have double release levers to provide extra security, but ease of opening for the wearer. The low-profile design includes tapered edges for snag-free comfort. The Cobra® buckle locks the webbing to prevent slippage with even the heaviest loads.

Double-wall webbing is reinforced with a Special Poly Stiffener System. This design provides extra support in the holster/mag case region, while offering softer edging in the spinal area for additional comfort and protection.

Belts are adjustable up to four inches with the hook & loop Tail-Lock™ design. If sized correctly, it will fit over your pants for convenience in removing holster/mag case as a unit.

- Double Layered 7,000 lb. Mil-Spec Webbing
- 2,000 lb. Double Lever Quick Release Cobra® Buckle
- Special Polymer Reinforcement
- Patented Design
- Available Sizes: Small, Medium, Large, X-Large

BELT SIZING: WAIST SIZE

TACTICAL GUN BELT™ VELCRO® LOOP-LINED VERSION

- 1.75" Double Layer 7,000 lb. Mil-Spec Webbing
- 2,000 lb. Cobra® Military Buckle
- Special Polymer Reinforcement
- Patented Design
- Velcro® Loop Liner for Use with Inner Belt
- Available Sizes: Small, Medium, Large, X-Large
- Velcro Loop Lined Belts Can Be Used As An Outer Belt to Lock Onto the Inner Duty Belt.

LOOP-LINED TACTICAL GUN BELT™ WITH INNER DUTY BELT ATTACHED

INNER DUTY BELT

TAC SHIELD® Inner-Duty belt uses a single layer 1.5" Mil-Spec Scuba Webbing to provide the strength and stiffness required for a solid mounting platform. The Inner Belt allows the user to feed the belt through the belt loops like a regular belt with an adjustable hook and loop closure. The hook exterior interlocks with the loop liner of our Velcro® Loop-Lined Gun Belt or traditional duty belts. Allows removal of duty belt without inner belt.

- 1.5" Mil-Spec Scuba Webbing
- Low Profile Velcro® Hook Exterior
- Loop Closure
- Available Sizes: SM-MD (28"-38"), LG-X-Large (38"-48")

RZR® TACTICAL GUN BELT™

RZR® Tactical Gun Belts offer a slim profile with tough webbing, high strength laminate, Cobra® buckle and Velcro® Lining. The loop lining attached to the low-profile hook exterior Inner Belt securely locks your gear to the right spot for customized shooter setups.
